CARDIOVASCULAR SUPPORT

Phytonutrient Bioactive Complex

P720

VEGAN

VEGETARIAN

Cardiovascular Support is a powerful formula, specifically tailored to support cardiovascular health. This supplement comprises the amino acids citrulline and cysteine as well as high levels of botanicals and natural antioxidants such as horse chestnut, grape seed extract, quercetin and rutin.

- Citrulline can help to support circulatory health.
- Includes Horse Chestnut which has an extensive history of traditional use in herbal medicine.
- N-Acetyl-Cysteine is an antioxidant that helps to support glutathione synthesis. Glutathione is the body's most powerful intracellular antioxidant that helps to protect all cells of the body, including the heart.
- Includes Quercetin and Rutin, which are both powerful sources of natural flavonoids.
- Grape Seed Extract - Grape seed is rich in antioxidants, including phenolic acids, anthocyanins, and oligomeric proanthocyanidins, which are naturally occurring bioflavonoids. Grape seed extract may help to support circulation and the heart.

Product Information:

60 capsules = 30-60 days supply

Permitted Health Claims:

- Contains vitamins B1, B2 and B3 - B1 contributes to the normal function of the heart and collectively B1, B2 and B3 contribute to the protection of cells from oxidative stress, normal energy-yielding metabolism, and the reduction of tiredness and fatigue.

- Vitamin C is a powerful antioxidant which contributes to the protection of cells from oxidative stress, the reduction of tiredness and fatigue, and the normal function of the immune system, collagen formation and the normal function of blood vessels.

For further health claims please refer to pages 46-53
