

IRON

with Molybdenum and Vitamin C

M125

Iron with Molybdenum & Vitamin C is a gentle, non-constipating and bio-effective source.

- This product contains Food State vitamin C which increases iron absorption.
- Food State molybdenum which helps mobilise iron from body storage in times of need.
- A Food State supplement – provides nutrients in the same form as in in food.
- Uses vitamins and minerals in a food base of inactive *Lactobacillus bulgaricus*, a native and friendly bacterial inhabitant of the human GI tract. As these bacteria fits into normal metabolic pathways it acts as a natural carrier.
