OMEGA PROTECT + COQ10**Vegan DHA & EPA + CoQ10****& plant antioxidants**

C178

VEGAN

VEGETARIAN

Omega Protect plus CoQ10 is a powerful omega 3 and antioxidant formulation rich in the all-important omega-3 fatty acids DHA and EPA from natural algae, combined with CoQ10 and other potent plant antioxidants to help stabilise membranes and protect cells from damage.

Omega 3

- Algal source of omega-3 - rich in both DHA/EPA.
- Research for algae derived DHA and EPA is demonstrating superior effectiveness over fish oil sources.
- Ideal for vegans and vegetarians or people who do not regularly eat oily fish.
- From microalgae that is grown in a controlled environment, eliminating the risk of oceanic contamination.
- An environmentally friendly and sustainable source of omega 3.
- From start to finish, it is produced under current Good Manufacturing Practice (cGMP) regulations.

Co enzyme Q10

- CoQ10 is a vital part of all energy production in the mitochondria, the power houses of the cells.
- Included in its active form, ubiquinol.
- As we age, our natural capacity to produce CoQ10 declines and without adequate CoQ10, our cells cannot function properly.

Astaxanthin Oleoresin

- Exerts powerful antioxidant properties due to its astaxanthin content.

Oregano Oil

- Providing 10mg of oregano oil. Oregano is rich in antioxidants due to a high content of phenolic acids and flavonoids and helps to protect against free radicals.

Rosemary oil

- Rosemary oil contains water and lipid-soluble flavonoids, which act as anti-microbial agents and free radical scavengers to help protect cells from oxidative damage.

Grapeseed oil

- Grape seed is rich in antioxidants, including phenolic acids, anthocyanins, and oligomeric proanthocyanidins, which are naturally occurring bioflavonoids.

Product Information:

30 capsules = 15-30 days supply

Permitted Health Claims:

- EPA and DHA contribute to the maintenance of normal blood pressure, blood triglyceride levels and to the normal function of the heart.

Suitable for:

Adults

Form:

Capsule

Omega Protect + CoQ10

1 capsule provides on average:

Active Nutrient	Strength	%NRV+
Marine algae oil:	400mg	*
providing DHA	120mg	*
EPA	60mg	*
Grapeseed oil	10mg	*
Oregano oil (80% Carvacrol)	10mg	*
Rosemary oil	10mg	*
CoQ10	20mg	*
Astaxanthin	4mg	*

+NRV = Nutrient Reference Value

* Indicates no NRV

Ingredients: *Schizochytrium* sp. from marine algae providing DHA & EPA, Coenzyme Q10 (as Ubiquinol), oregano oil, rosemary oil, grapeseed oil, natural Astaxanthin, glyceryl monostearate, sunflower lecithin, soft gel capsule (glycerol, cornstarch, seagel 101, iron oxide).

Suggested Intake: 1-2 capsules daily as a food supplement or as directed by a practitioner.

Allergen Advice: None.

Contraindications: If you are on blood thinning medication or have any deficiency of the liver consult your doctor before taking this product.

Storage: Keep cool, dry & out of direct sunlight.
