RENEWAL

Multi-nutrient antioxidant formula

P073

VEGAN

VEGETARIAN

Ageing occurs when the energy producing components of the cell deteriorate, resulting in reduced cellular metabolic activity, the accumulation of cellular debris and the eventual death of the cell. Renewal is a powerful multi-nutrient antioxidant formula that helps to support healthy cell activity.

- Renewal contains Acetyl-L-Carnitine and CoQ10, both essential for energy production.
- Contains the powerful antioxidant alpha lipoic acid (R form).
- *Ginkgo Biloba* supports circulation and energy production.
- N-acetyl-L-cysteine, known as "NAC", provides immune support and acts as a precursor for the production of glutathione peroxidase, the body's master antioxidant.
- Each capsule includes 25mg rosemary extract (equivalent to 125mg of whole herb), which contains lipid-soluble antioxidant flavonoids.

Product Information:

60 capsules = 30-60 days supply

Suitable for:

Men and women

Form:

Capsule

Renewal

1 capsule provides on average:

| Active Nutrient | %NRV+ |
|--|-------|
| N-acetyl L-carnitine HCl | 200mg |
| Alpha lipoic acid | 100mg |
| N-acetyl L-cysteine | 50mg |
| Coenzyme Q10 | 25mg |
| <i>Ginkgo biloba</i> extract (equivalent to 1250mg of <i>Ginkgo biloba</i> powder, providing 6mg flavones and 1.5mg lactones) | 25mg |
| Rosemary extract (equivalent to 125mg of rosemary powder) | 25mg |
| +NRV = Nutrient Reference Value | |
| * Indicates no NRV | |

Ingredients: N-acetyl L-carnitine hydrochloride, alpha lipoic acid, N-acetyl L-cysteine, coenzyme Q10 (as ubiquinone), *Ginkgo biloba* extract 50:1, rosemary (*Rosmarinus officinalis*) extract 5:1 (maltodextrin), magnesium stearate, silicon dioxide, hydroxypropyl methylcellulose (capsule shell).

Suggested Intake: 1-2 capsules daily with food as a food supplement or as directed by a practitioner.

Allergen Advice: None.

Contraindications: This product is not suitable for children, or for pregnant or lactating women.

Storage: Keep cool, dry & out of direct sunlight.
