10 pairs per master polybag  
6 master polybags per case

## Classification:

## Features

- Featuring Sanitized Hygiene and Odour Control Function
- Seamless knitted fleece liner
- Crinkle latex coating
- Elasticated knitted wrist

## Benefits

- The Sanitized Hygiene and Odour Control Function is integrated within the glove, neutralising odours and reducing microbial growth. This article contains a biocidal product with the active substance zinc pyrithione
- Seamless fleece liner offers maximum comfort whilst keeping hands warm in cold environments, allowing the skin to breathe and maintain flexibility
- Crinkle latex coating gives superior dry and wet grip and good tear protection for a variety of cold weather tasks
- Elasticated knitted wrist ensures a secure fit and keeps hands free of dust ingress

## Sectors

- Outdoor Construction
- General Maintenance
- Warehousing
