Features

• Flock lined nitrile gauntlet 33cm long
• Good abrasion protection
• Ergonomically shaped
• Food approved
• Resistance to a range of a wide range of chemicals, strong detergents, oils and solvents
• Diamond textured grip pattern on palm

Benefits

• Flock lining wicks away moisture and gives a comfortable feel in use and allows for easy wear and removal
• Abrasion protection aids the life of the glove as well as protecting the wearer
• The ergonomic design make the glove comfortable to wear for long periods and reduces hand fatigue
• Approved for use in food areas
• Excellent for use in a range of environments where chemicals are present
• Non slip diamond textured pattern on the palm provides a confident grip
